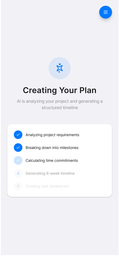
Back
Create New Project
Provide your project details and let AI create a structured 8-week plan
Project Name
e.g., Mobile App Redesign
Project Details
Paste or input all available project information
The more details you provide, the better AI can structure your project plan
Generate AI Plan



Creating Your Plan
AI is analyzing your project and generating a structured timeline
Analyzing project requirements
Breaking down into milestones
Calculating time commitments
Generating 8-week timeline
Creating task breakdown
